## Technical information

**Productnumber : 852111**

### Product description

Long equipment trolley made of powder-coated steel with eight stanchions. The stanchions can be stored in the two material bins. The cart with swing-dip construction is free in the middle for loading with a crane or forklift truck. The material cart is equipped with two fixed castors with brakes and two swivel castors. The payload is 1500 kg.
