Product description

Steel painted mesh container (Type 13-1) with one half-height wall. The gitter box has the Euro standard dimensions of 1200 x 1000 mm and a load capacity of 1000 kg. The mesh box is painted gray and has a bottom of profiled steel sheet. The wire container stands on 4 sturdy legs and is easy to pick up with a forklift or pallet truck. The top has four raised corners to make stacking easy.

Internal length including stacking edges 110.5 cm
Internal width including stacking edges 95 cm
