

Technical information

Productnumber : 64608112V-01

Product description

Electrolytically galvanized metal pallet collar 120x80x120 cm suitable for Euro pallets, mesh 100x100 mm. Equipped with a practical folding window on the long side, making the contents easily accessible. The advantage compared to gitter boxes is that these mounting walls take up much less space if they are not used or are returned empty. Very suitable for the storage or transport of bulk goods, but can also be used as shop containers (wire baskets) within the retail sector.

Please note! This variant is not stackable!

Specifications

Article arrangement: New

Version: 1 flap at 1 long side

Walls: mesh 100*100*4 mm

Euronorm (mm): 1200 x 800

Surface treatment: electro-galvanized

Width (mm): 800

Useful height (mm): 1200

Type number: 64F-01

EAN Code (Gtin) 8719424134209

Type: collapsible

Material: steel

Top: without stacking bowls

Colour: colorless

Length (mm): 1200

Height (mm): 1200

Loading capacity (kg): 1000

Additional specifications: without pallet
