Technical information

Productnumber : 91-125TA7089

Product description

High-quality hand pallet truck with extra long forks of 180 cm. The large steering wheels allow the pallet truck to turn easily: maneuver pallets easily and lightly from A to B. The comfortable handle controls the lifting, driving and lowering of the pump truck manually. The torsion-free frame is made of sturdy steel construction and highly wear-resistant powder coating. Polyurethane tandem load wheels: high quality, comfortable and quiet. The tandem rollers perform particularly well on uneven surfaces and when picking up pallets transversely, this also ensures easier handling and minimal point load. Load capacity up to 2000 kg.

Specifications

Article arrangement: New

Version: lifting height 85-200 mm

Wheels front: polyurethane (steering wheel)

Colour: yellow

Surface treatment: painted

Internal length (mm): 1800

Height (mm): 1220

Application: hand pallet truck

Options: long fork length

EAN Code (Gtin) 8719424027761

Type: extra long fork length 1800 mm

Material: steel

Wheels back: polyurethane (tandem)

Ral colour: 1003

Length (mm): 2200

Width (mm): 540

Loading capacity (kg): 2000

Weight (kg) 120

Type number: 1542
