Productnumber : 99-1544

Product description

High-quality Kruizinga.nl high-lift pallet truck (scissor lift truck), reliability for the best price. The large steering wheels make the scissor pallet truck extremely easy to turn: maneuver pallets easily and lightly from A to B. Once you have arrived at the workplace, you can inflate the truck to the desired working height in a few pump strokes, lifting height up to 800 mm. The comfortable handle controls the lifting, driving and lowering of the pump truck manually. Load capacity up to 1000 kg. Total height max. 1650 mm, fork length 1150 mm.

Specifications

Article arrangement: New
