

Productnumber: 99-6287-PAL

Product description

Pallet offer with 40 stackable plastic euro containers. Widely applicable for transport and storage. This stacking box has perforated walls with a height of 240 mm and a perforated bottom and is therefore dirt and air permeable, so that the contents are optimally protected. The crate has open handles on two sides for optimum handling.

Suitable for export of flower bulbs, other agricultural products, and the tree nursery sector. You can also use them as a transport crate, warehouse crate or storage crate. Also called agri crate, agricultural crate, agricultural bin or unpacking and supply crate.
