Product description

Foldable plastic crates that are easy to set up and fold down again using an innovative click system. The crate is, among other things, intended for the transport and storage of fruit and vegetables and other foodstuffs. Perforation in bottom and walls for ventilation and cooling. Equipped with 4 open handles for optimal handling. Easy to clean thanks to smooth bottom inner walls. Are you temporarily not using it? Then you can easily stack these crates when folded, which results in a volume reduction of 70%.

Please note! This is a one-off batch. ON = ON!
