

Technical information

Productnumber : 72192322

Product description

The Falco is designed for intensive use. It is double-sided accessible and can be used on both sides. The robust, shaped treads are ideal for any professional task. The unique hinging system on the top platform makes this stepladder exceptionally safe to use.

The grey coating is not just stylish, it is also dirt-resistant and does not come off on your hands. Strengthening braces and large anti-slip feet ensure stability. The safety guardrail gives you additional safety. When folded up, the stepladder is easy to transport. The self-locking spreader protection (from FDO 2x3) means you can be sure that the stepladder will not fold up inadvertently. Anti-slip feet also provide sturdiness and stability. A stepladder for any professional task.

The Red Step® on your ladder/steps indicates the height at which you can safely work. In the blink of an eye, you can clearly see how high you can go.

Specifications

Article arrangement: New

Version: à deux-côtés, 2x10 marche-pieds

Subgroup: Stairs

Width (mm): 440

Depth (mm): 530

Options: Norm: EN 131

Height when folded (mm): 500

Horizontal platform (mm): 450

EAN Code (Gtin) 8719424174656

Type: Altrex industrial stairs

Material: aluminium

Colour: grey/red

Height (mm): 520

Weight (kg) 4

Type number: 192322

Additional specifications: type use: professional

Work height (mm): 2450
