Technical information

Productnumber : 55-S4-10M220

Product description

TÜV certified tire rack/tyre rack (shelf rack type 55) for the clear storage of up to 120 summer and/or winter passenger car tires. Equipped with a storage capacity of 200 kg per floor. The storage racks are extremely suitable in environments such as the automotive industry, garages, workshops, warehouses or distribution halls. This shelving unit is easy to expand with an additional extension (55-S4-AB220) and accessories such as; label holders, labels and a step stool. A storage rack with a TÜV certificate or TÜV quality mark is confirmation that a storage rack meets the requirements set in legislation, standards and quality marks.
