

Technical information

Productnumber : 852550

Product description

Platform truck with four closed walls. This box truck has two push handles as standard. With two braked castors, the platform cart is extremely manoeuvrable.

Thanks to the closed walls, rigid boxes are an excellent means of transport where the load must be protected against fall or impact damage. That is why they are often used in environments such as production halls and distribution centers. The transport trolleys are supplied as standard with rubber fixed and swivel castors with brakes, which makes the trolley very mobile in use.

All Fetra transport carts have an EU standard EN 1757-3 safety standard.

Specifications

Article arrangement: New

Version: 4 walls closed

Walls: high-quality wood fibre plate

Wheels front: 2 fixed wheels solid rubber 160 mm

Wheels back: 2 castor wheels solid rubber with wheel locks 160 mm

Ral colour: 5007

Length (mm): 1030

Width (mm): 510

Height (mm): 960

Platform height (mm): 228

Weight (kg) 38

EAN Code (Gtin) 8719424019278

Type: Fetra container trolley

Material: pipe material profile steel

Floor: closed

Subgroup: box carts

Colour: blue

Surface treatment: powdercoating

Internal length (mm): 850

Internal width (mm): 500

Useful height (mm): 500

Loading capacity (kg): 500

Type number: 852550
