Product description

Euro container trolley suitable for 15 Euro containers 60x40 cm. The container trolley has five floors, each suitable for three Euro containers. The shelves are variably adjustable in a grid of 150 mm and can be rotated in an angle of 15° or 30°. The powder coating ensures a robust and scratch-resistant side trolley. The side trolley is equipped with four swivel castors, two of which have brakes.
