

Technical information

Productnumber : 98-7304GB-PAL

Product description

This is a pallet offer of eight steel drums per block pallet.

Used steel drum with a capacity of 210 litres. With durable construction, the barrel is designed for long-term use. Measuring 600x600x885 mm, the barrel provides enough space to safely store various types of liquids. This barrel includes a bung hole, making it easy to pour liquids in and out of the barrel without spillage or waste. Equipped with a clamping ring to seal the lid. This clamping ring ensures a tight seal, keeping the contents of the barrel safely stored.

Specifications

Article arrangement: Used

Version: bun barrel with bung hole and clamping ring

Colour: grey

Length (mm): 600

Width (mm): 600

Height (mm): 885

Volume (ltr): 210

Type number: 7304GB

EAN Code (Gtin) 8719424235661

Type: pallet tender

Material: steel

Surface treatment: painted and use damage

Internal length (mm): 565

Internal width (mm): 565

Internal height (mm): 850

Weight (kg) 19

Batch (items): 8
