

Technical information

Productnumber : 77-A019351

Product description

Used high stainless steel equipment cabinet. Ideal for areas where hygiene plays a major role.

- Sturdy high cabinet made of stainless steel.
- Shelves adjustable in height by 25 mm.
- Closure with handle with 2-point cylinder lock.
- Max. load per shelf (kg): 100 kg

Safety tips:

- Place the furniture on a flat surface
- Fix it to the wall or a dividing wall with a special fitting
- Take care not to exceed the recommended maximum load and ensure proper distribution

Caution! Damage to side and back. See photos. There is a protective film on the front of the cabinet.
