## Technical information

**Productnumber : 705S422P1650**

### Product description

Sturdy 4-sided roll container with a steel rolling base fitted with smooth polyamide wheels. The roll container has a double door at the front. Fast assembly and disassembly of the insert gates. 2 nylon lashing straps are supplied as standard with each roll container. Extra option to provide the roll container with a maximum of 5 (wooden, steel or plastic) floors. Very suitable for the distribution of products to and from shops and internal transport.
