Technical information

Productnumber : 12-X041ML

Product description

The medium sized Master safe with digital combination is ideal for protecting valuable valuables and electronics. The programmable electronic lock allows you to choose your combination and with the unlocking key you always have access to your safe, even in case of a forgotten combination. Padded bottom protects contents from scratches during storage.

- Solid steel construction
- 2 steel live locking bolts and a concealed hinge for increased security against attack and attempted break-open
- Resettable digital combination with release key - 2 included keys.
- Padded bottom
- Includes safe securing equipment
- Requires 4 AA batteries (not included)

Specifications

Article arrangement: New

Version: with digital combination

Colour: black/grey

Internal width (mm): 286

Internal height (mm): 190

Internal depth (mm): 213

Weight (kg) 5.5

EAN Code (Gtin) 8719424174243

Type: safe

Material: steel

Width (mm): 290

Height (mm): 194

Depth (mm): 264

Volume (ltr): 11.6

Type number: X041ML
