Technical information

Productnumber : 12-X125ML

Product description

The large Master Lock digital combination safe is ideal for protecting valuables and electronics. The programmable electronic lock allows you to choose your combination and with the unlocking key you always have access to your safe, even in case of a forgotten combination. Padded bottom protects contents from scratches during storage.

- Solid steel construction
- 2 steel live locking bolts and a concealed hinge for increased security against attack and attempted break-open
- Resettable digital combination with release key - 2 included keys.
- Padded bottom
- Removable shelf
- Includes safe securing equipment
- Requires 4 AA batteries (not included)
