Technical information

Productnumber : 98-3421GB

Product description

Combination set consisting of 25 bread bins also called wavin broban crate with dimensions of L: 700 x W: 490 x H: 190 mm and a galvanized undercarriage of L: 690 x W: 490 x H: 145 mm with 2 fixed and 2 swivel wheels of 100 mm rubber. Stackable and nestable bread bins or bread crates with coarse perforation for ventilation and through-cooling. Also called wavin broban crate. Great for storage of breads, croissants, pastries, baked goods and other foodstuffs. Features open handles for optimal handling. The front has a collapsible stacking bar. Can also be used as a handle. The plastic containers are made of high quality polyethylene making them resistant to low temperatures and therefore easy to freeze. In short: an indispensable combination in bakeries and catering!
