Product description

Plastic pallet box on 4 legs 120x100 cm. Also called BIG BOX. The most stable and most hygienic large volume container on the market. The plastic pallet box is very impact-resistant, strong, liquid-tight and easy to clean. The closed walls and bottom make it very suitable for the storage and transport of bulky, heavy goods. Due to the unique wall construction, the BIG BOX pallet box has an optimal volume. The pallet box has 4 legs and is easy to move with a forklift or pump truck.
