Product description

Used plastic stacking bin / storage bin 200x150 mm. Ideal for storing your stock of small parts and service parts. This robust Euro container has four closed walls of 120 mm and a closed bottom. Very suitable for grab stocks (order picking) in workshops, garages, storage racks or service vehicles. The plastic storage bins have a smooth, hygienic design on the inside and are therefore easy to clean. Special stacking edges ensure stable stacking. Thanks to the smooth bottom, the bins are suitable for conveyor belts and roller conveyors.
