

## Technical information

Productnumber : 10212106V-CE

### Product description

If you opt for a certificate, you will have a hoistable and stackable box which is designed and certified for storing and transporting all kinds of loose goods. The box can be transported using a forklift truck but is also certified as a hoisting device which means that it is permitted for the box to be hoisted using a crane.

Please note: Users of the box need to have read and understood the contents of the following manual before they start using the box. Using the box without knowledge of the contents of this manual or disregarding the instructions in this manual could lead to serious personal injury and/or material damage!

See user manual: [https://www.kruizinga.com/documents/CE\\_10-2\\_UK.pdf](https://www.kruizinga.com/documents/CE_10-2_UK.pdf)

Attention! CE certified items can NOT be returned.
