Technical information

Productnumber : 98-7176GB

Product description

Used steel stacking bin with dimensions of 1040x850x770 mm and a capacity of 277 litres. The closed walls ensure stability and protection of the contents, the profiled bottom ensures a good grip during transport. The lifting eyes are practical for moving the bin using lifting devices, not certified for hoisting.

Please note! The pitch of the stacking bins is too high for hand pallet trucks.

Specifications

Article arrangement: Used

Version: 4 walls closed

Walls: corrugated

Euronorm (mm): 1000 x 800

Surface treatment: painted and use damage

Internal length (mm): 900

Internal width (mm): 705

Internal height (mm): 445

Volume (ltr): 277

Weight (kg) 68

Additional specifications: not suitable for hand pallet trucks

Type: fixed construction stacking box

Material: steel

Floor: profiled steel

Colour: green

Length (mm): 1040

Width (mm): 850

Height (mm): 770

Insertion height (mm): 150

Application: stacking - not certified to hoist

Type number: 7176GB
