Product description

The stepladder with the best features. Perfect for every warehouse. User-friendly and robust. For the professional who needs more. The Taurus Warehouse stepladder is made for easy manoeuvrability. The dirt resistant black coating makes these treads suitable for every professional job.

The warehouse stepladder has fixed wheels and guardrails with a natural grip which makes it easy to move. The self-locking spreader protection means you can be sure that the treads will not fold up inadvertently. Your comfort is also improved with the extra-high safety guardrail (85cm!). A stepladder of the very highest quality.

The Red Step® on your ladder/steps indicates the height at which you can safely work. In the blink of an eye, you can clearly see how high you can go.
