## Technical information

**Productnumber : 99-9153GB**

### Product description

Used mobile scaffold stairs. This version of the scaffolding staircase is equipped with two wheels at the bottom of the staircase, which are fitted with a compression spring that locks under load. The top is equipped with an adjustable running gear to mount the stairs against the scaffolding. A scaffolding staircase is often a permanent solution if you often have to work at a scaffolding.

Attention! Stairs can be rejected due to any damage.

### Specifications

Article arrangement: Used

Version: on wheels

Subgroup: Stairs

Surface treatment: painted and use damage

Internal width (mm): 360

Useful height (mm): 1780

Additional specifications: ATTENTION! Product can be rejected due to damage

Type: rack stairway

Material: steel

Colour: green

Width (mm): 400

Height (mm): 2350

Type number: 9110

EAN Code (Gtin) 8719424048698
