Technical information

Productnumber : 38-IB-35259

Product description

This 9.9 liter shelving unit or parts bin has a load capacity of up to 15 kg and is made of plastic polypropylene and is designed to withstand most oils and greases. The industrial bins offer space for a maximum of 7 dividers, one viewing window and are easily stackable with the same widths. Thanks to the dividers and labels that can be ordered separately, you can easily sort small parts and/or materials in your storage racks, grab stocks, order picking locations, service vehicles or workshop. The shelving unit is supplied as standard with a label holder at the front, but without dividers or labels. See the products below to complete it! Also suitable as a KANBAN container.

Specifications

Article arrangement: New

Version: stackable

Walls: walls closed

Food-safe: yes

Length (mm): 400

Width (mm): 235

Height (mm): 140

Stackable height (mm): 135
