Technical information

Productnumber : 98-7215GB

Product description

Used tipping bin, measuring 1200x800x845 mm and holding 300 litres. The hot-dip galvanised material offers durability and corrosion protection, making the bin suitable for use in various environments. Its tilting mechanism makes it easy to load and unload materials, while the plug-in members provide extra stability during transport.

Specifications

Article arrangement: Used

Version: standard

Walls: walls closed

Colour: colorless

Length (mm): 1200

Internal width (mm): 740

Internal height (mm): 520

Weight (kg) 119

Additional specifications: with insertion brackets

Type: automatic tilting container

Material: steel

Subgroup: Automatic tilting

Surface treatment: galvanised with signs of use

Width (mm): 800

Height (mm): 845

Volume (ltr): 300

Type number: 7215GB
