Technical information

Productnumber: 856433-V

Product description

Hand pull wagon with wire mesh walls and single turntable steering with ball race. The trailer has a folding drawbar that activates the brake in a vertical position. The end walls are screwed to the platform, the side walls are removable. The cart rolls on solid rubber wheels and has a load capacity of 700 kg. The steel frame is treated with a robust and scratch-free powder coating. The loading surface is made of waterproof plywood and has a height of 420 mm. This industrial trailer can optionally be equipped with a towing eye.

Specifications
