Technical information

Productnumber : 8528TS5

Product description

Folding ladder for order picking trolley type 8528100. Suitable for loading surface width 510 mm.

Equipped with 3 wooden steps with anti-slip, top 600 mm high. The steps are fixed to the surface when loaded, so that the order trolley is properly blocked. A lock prevents it from folding up against the carriage. The stairs can be folded up slightly by means of a gas pressure spring.

These stairs are supplied with push handles that are further outwards to provide even better support. The total length of the carriage increases by 100 mm. Cannot be combined with drawbar and coupling.

Specifications

Article arrangement: New

Version: stairway / foldable / 3 steps

Subgroup: Order Picking trolley

Surface treatment: electro-galvanized

Weight (kg) 12.7

EAN Code (Gtin) 8719424077452

Type: accessories
