

Technical information

Productnumber : 852108

Product description

Order picking trolley with folding stairs. This order picking trolley has four wooden floors and a powder-coated frame. The stairs lift themselves up independently without load and stand firmly on the floor when loaded, which also blocks the trolley. The load capacity per floor is 80 kg with a total load capacity of 250 kg. The warehouse cart is equipped with two swivel castors with brakes and two fixed castors.
