Technical information

Productnumber : 8512515

Product description

Push bar trolley with closed end wall suitable for heavy loads with a maximum load capacity of 1200 kg. Due to the high-quality elastic, streak-free wheels with ball bearings, the trolley is handy and has a smooth running. The warehouse cart is equipped with two swivel castors with brakes and two fixed castors. The frame is powder coated and is therefore scratch-free and robust. The loading surface is made of waterproof multiplex with anti-slip.
