Technical information

Productnumber : 852622

Product description

Table trolley with two floors and two drawers. The two steel drawers can be closed with a cylinder lock and have the dimensions 105x415x490 mm. All steel parts are treated with a powder coating that makes the whole robust and scratch-free. The wooden floors with a beech decor top layer are placed in a steel frame with a 12 mm raised edge. The shelved trolley can be moved thanks to its push handle, two braked swivel castors and two fixed castors. The load capacity of the top shelf is 80 kg and 25 kg per drawer. The total load capacity is 300 kg.

Specifications
