Product description

Table trolley extremely suitable for heavy loads due to its load capacity of 1200 kg. The load capacity per floor is 500 kg. The high-quality, elastic, streak-free straps enable a light, easy-to-handle run. The steel frame is treated with a powder coating that makes the platform cart robust. The warehouse cart has three rectangular platforms made of waterproof plywood with a non-slip top layer. The trolley has two braked swivel castors and two fixed castors.
