Product description

Used shelf trolley with dimensions of 1360x800x1820 mm, fitted with 2 fixed and 2 swivel wheels made of rubber with a diameter of 200 mm. Equipped with 1 adjustable shelf with the possibility of adjusting the shelf to 3 different heights. As a result, this trolley offers a versatile solution for transporting and organising various items. The push handle makes it easy to manoeuvre, while the adjustable shelves provide adaptable storage space. This makes it easy to transport and organise different items of various sizes. These features make the shelf trolley a convenient and flexible tool for managing goods efficiently.

Specifications
