Technical information

Productnumber : 852634

Product description

Light workshop trolley made of welded steel tubes, powder coated RAL 5007. Equipped with three floors of wood with a beech decor top layer lying in a steel frame. The floors have a raised edge 12 mm high. Equipped with a drawer cabinet with 3 drawers 120 mm high and 1 drawer 180 mm high. The drawers have a ball bearing guide and pull-out protection, making them 4/5 extendable. The warehouse trolley has an upright push handle and a load capacity of 300 kg. Thanks to the two braked swivel castors and two fixed castors, the trolley is extremely handy.

Cabinet dimensions HxWxD: 600x500x600 mm
